Mr Art Carter
5514 New Hampshire Ave. N.W.
Washington D.C.

Dear Art:

I am writing first to enclose your check for salary due, and next the lineup you asked for.

Next I have been thinking about the ballplayers transportation from Washington to Chicago after the all star game. Do you think it would be possible to have a train for them? I guess we will provide the same transportation as usual, the reserved reclining seats. It was possible in pre-war days to get a private car for a large group. I am sure if you get to the right party it could be arranged in this case.

The only hitch would be we would not be sure weathereit was wanted for the first or second day, because it might rain the first day. If this is not done you will have to see about reservations for our eastern men anyway. Let me know what you think.

Next please reserve rooms at The Carver for The Eagles the night of July 28th. There will be 20 men.

Next if you see Sonnyman, please tell him I asked you to remind him The Grays dues have not been paid for June and July. Everyone else has paid. I have written to his offive and spoken to See, but I guess he just forgets it.

Very Truly Yours
